

The screenshot displays the Oracle SQL Developer environment. The top menu bar includes Edit, View, Navigate, Run, Source, Team, Tools, Window, and Help. Below the menu is a toolbar with icons for file operations and execution. The main window has a tabbed interface with several open files: ...sql, Learning~2.sql, Learning~3.sql, Welcome Page, plsql-goto-functions-29081-James, Create_Tables.sql, and another Create_Tables.sql. The 'plsql-goto-functions-29081-James' tab is active, showing an SQL Worksheet with a 'History' tab and a 'Query Builder' tab. The worksheet contains the text '<<finish>>'. Below the worksheet is a 'Script Output' window showing the results of the execution: 'The number is POSITIVE', 'Number classification completed.', and 'PL/SQL procedure successfully completed.'. The 'Messages - Log' window is visible at the bottom.
